To Whom it May Concern:

This letter is written as a professional recommendation for Starr Entertainment Group. I have been in the development business just over 26 years specializing in hotels. From 1988 through 2002, I was Corporate Director - Projects for The Ritz-Carlton Hotel Company and during that time, was involved in the development and opening of approximately 14 hotels worldwide. In that capacity, I have been involved with many large and complex projects and worked with numerous consultants.

Our company is currently involved as Development Manager of a large Ritz-Carlton Condominium and Hotel development in the Caribbean. The Star Entertainment Group provided the audio, visual and sound equipment for the hotel. I have worked with Starr Entertainment Group on several Ritz-Carlton projects and have always been extremely pleased with their knowledge and professionalism.

Should further inquiries relative to Starr Entertainment Group's credentials be required, I may be contacted at 404-261-7774.

Regards,

Brad Barneson
