### TO WHOM IT MAY CONCERN

I am very happy to recommend the **Star Entertainment Group** to any Organisation, Hotel or Resort Group who need first class audio, video, or lighting equipment. I am also very impressed with their work ethics and attention to detail and follow up.

Sandals Resorts have already had the pleasure and good fortune to have dealt with them on one of our properties and have every intention and continuing this budding partnership.

A definitely very professional organisation with personnel who are experts in their fields.

Yours sincerely
