RE: STARR ENTERTAINMENT GROUP

To Whom It May Concern:

This letter is regarding service provided to Shiloh Baptist Church by Starr Entertainment Group. In March of 2005, construction was complete on Shiloh's new 70,000 square foot Sanctuary, Administrative space, Charter School and Community Life & Cultural Arts Center. Starr Entertainment Group was the audio, video and lighting subcontractor for our project, working for our general contractor, Turner Construction, Inc.

Shiloh's impression about Starr Entertainment Group was formed in our first meeting with Peter Starr. Mr. Starr came well prepared, informed about our needs and was able to provide recommendations on how to achieve the visual and sound effects required for our worship service, television broadcast and special events. Mr. Starr continued to provide valuable advice throughout the planning process. During the installation of our system, Mr. Starr was "hands-on." He spent numerous hours on-site with his crew. Upon completion of construction, Mr. Starr trained our media ministry.

Shiloh has a continued working relationship with Starr Entertainment, and to our pleasure, we find that Peter Starr is only a phone call away. We highly recommended Starr Entertainment for your audio, video and lighting needs. Please give us a call if you require further information.

Faithfully Yours,

Rev. Gerald Lamont Thomas, Ph.D., Pastor
